

For the Guys

CORNING, IA

Start your early morning off the right way in Corning, with a donut, bagel or pastry from our hometown bakery, **Sweet Desires**. After a short jaunt to the **Alegent Health Fitness Center**, you may obtain a day's pass and work out on a full array of top-of-the-line aerobic and weight machines. Then drive to **FSC Mart** and fill up with E-85 for your hybrid vehicle and grab a slice of **Godfather's** pizza (or **Casey's**.)

The afternoon can be spent in the cool shade of oak trees on the **Happy Hollow Country Club** 9 – hole golf course. Fresh chips and homemade *House Salsa* await your arrival at the **Electric Burrito**, a tasty Mexican restaurant for friends, family and flavor. The *Electric Salsa* is always available, but ask about the rotating homemade specialty salsas. Men will especially enjoy the *Master of Beer Appreciation Program*, focusing on craft beer, local wines and margaritas in a pleasant and unpretentious atmosphere.

Then travel four miles north to **Lake Icaria** for your weekend of camping (electric hookups, dump station, and showers) or reserve one of the 14 cabins (sleeping or full service). The 700 acres of water at **Lake Icaria** are perfect for fishing (large mouth bass, walleye, blue gill, crappie, muskie, and channel catfish) off the handicapped pier, docks or from your 300 horsepower boat. Grills and picnic

areas are available for those hamburgers and steaks. The afternoon can be spent playing sand volleyball and swimming at the beach. Then head on in to the **Adams County Speedway**, a NASCAR sanctioned half-mile oval dirt track, featuring four classes of race cars on Saturday evenings from April through September. Sundays in the summer time, you can browse the Prescott **Kline Museum**.

An assortment of farm machinery, steamers, cars, furniture, lamps, musical instruments, and tools, await your perusal. Next, shoot some hoops at the **Prescott Park**.

If you're visiting Corning in July, you don't want to miss the **Arts & Cars – It's a Gas!** festival. The morning starts with the annual *Doctor's Dash* and *American Legion Classic Car Show*. When you are finished with the sights, take home some tasty smoked *Car-b-Que!*
