Public Forum

The Davis Avenue Renewal Committee invites all business owners and the public to participate in a Public Forum on November 16th at the Corning Community Building. The Committee has been guided by the Corning Visioning Study (2018) as a basis for improvements to Davis Avenue.

Snyder & Associates will present a conceptual design covering Davis Avenue from 5th to 9th street. There will be a plan viewing and discussion from 11:30 to 1:30 with Dave Sturm, Atlantic office of Snyder & Associates. He will do a presentation at 12:30 and again at 5:30 during the late afternoon Forum from 4:30 to 6:30.

Please come and help us develop a warm and welcoming Davis Avenue.
